

AGGIE Math practice for 2018

Tonight you again have two tasks. First, count the squares in the new puzzle below and be ready to share your process and answer with your group tomorrow. Use the process space at the right of the figure to capture your thoughts on how you solved the puzzle.

How many squares
altogether?

Process space

Tonight's second task is to sign up for the class Remind account using the information I handed out in class. If you need some help with the sign up process, check out the video linked on the class website.

Also, if you didn't fill out the first day survey yet please use the link on the class website, ***mwillmarth.org***, to get it filled out
