

Hello AGGIES (and 6<sup>th</sup> period HORNETS) – First, thanks to all of you who are making it easier of the guest teacher.

- Today you will be taking the Chapter 4 End of Chapter test.
  - You have the full period to work on the test. When you finish the test put the test and scratch paper into the folder. You will turn in the folder at the end of the period.
- If you finish the test before the end of the period, you should silently read or work on assignments for another class.

Thanks again for being on your best behavior for the guest teacher!
