

Hello AGGIES and HORNETS – I'm at a meeting today and you have Ms. Roberts as your guest teacher. Please make sure you sit in your assigned seats and remember our discussion about our behavior and the noise level when I am gone. Make sure you personally do everything you can to make today feels respectful for Ms. Robert

1. Today you have a chance to practice Proportions.
2. Please show your work on binder paper. When you turn in the practice page on Monday you will also turn in your binder paper.
3. Make good use of your time; the more you get done in class the less homework you will have this weekend.

Thanks for being on your best behavior for the guest teacher and have a great weekend!
