Hello AGGIES and HORNETS – I'm at a meeting today and you have a guest teacher. Please make sure you sit in your assigned seats and remember our discussion about behavior when I am gone. This is a big class and if you aren't careful the room gets very noisy. Make sure you personally do everything you can to make today feels respectful for the guest teacher

1. Today you will work on some Equation Problem-Solving.
2. Do the work on the back of the paper or in your spiral.
3. Make good use of your time. After you finish the paper you can check the answers on the class website.
4. Be sure you study tonight for tomorrow's test.

I'm sure class will go well, however I've left the following for the guest teacher in case there are any problems:

Student _____ Date _____ Period _____

Unfortunately, this student's disruptive behavior has reached a level where it is difficult for the guest teacher to carry out Mr. Willmarth's lesson plan with the rest of the class. Please keep the student in the office for the remainder of the period. Mr. Willmarth will have a conversation with the student and
Ms. Montgomery tomorrow and together they will decide on any additional consequences.

Thank you – M. Willmarth
