

Adding & Subtracting Integers

1 Fill in the blank:

Adding a negative
is the same as
Subtracting a positive.

2 Fill in the blank:

Subtracting a negative
is the same as
Adding a positive.

3 Calculate:

$$\begin{array}{l} 10 + -6 \quad \text{"case 2"} \\ 10 - 6 \\ \textcircled{4} \end{array}$$

4 Calculate:

$$\begin{array}{l} 5 - -5 \quad \text{"case 1"} \\ 5 + 5 \\ \textcircled{10} \end{array}$$

5 Calculate:

$$\begin{array}{l} -2 - 12 \quad \text{"case 3"} \\ -2 - 12 \\ \textcircled{-14} \end{array}$$

6 Calculate:

$$\begin{array}{l} -1 + -4 \quad \text{"case 3"} \\ -1 - 4 \\ \textcircled{-5} \end{array}$$

7 Calculate:

$$\begin{array}{l} -11 + 2 \quad \text{"case 4"} \\ \textcircled{-9} \end{array}$$

8 Calculate:

$$\begin{array}{l} 8 + -14 \quad \text{"case 2"} \\ 8 - 14 \\ \textcircled{-6} \end{array}$$

9 Calculate:

$$\begin{array}{l} -9 - -7 \quad \text{"case 4"} \\ -9 + 7 \\ \textcircled{-2} \end{array}$$

10 Calculate:

$$\begin{array}{l} 5 - -10 \quad \text{"case 1"} \\ 5 + 10 \\ \textcircled{15} \end{array}$$
